## **DECLARATION OF COMMITMENT TO THE PRINCIPLES EUROPEAN CHARTER OF RESEARCHERS AND CODE OF CONDUCT FOR THE RECRUITMENT OF RESEARCHERS**

The **Basque Government** fostered the creation of the Basque Center on Cognition Brain and Language (BCBL), a non-profit entity that aims to increase the human knowledge in the area of cognitive neuroscience.

Basque Center on Cognition Brain and Language aims to contribute to the objectives of the European Research Strategy, by fostering the mobility of researchers and the Excellence at Science, and hereby declare the commitment of the institution to the principles laid down in the European Commission's Recommendation of March 11, 2005.

The will of Basque Center on Cognition Brain and Language is to contribute to the career development of the researcher community in neuroscience, according to the principles and recommendations of the *Charter* and the *Code of Conduct*.
